DAUGHTERS OF NORWAY

## MISSION OF THE DAUGHTERS OF NORWAY

The endowment fund was established out of love for our Norwegian heritage and respect for our obligation to the future. Our mission is to secure, provide and preserve educational, charitable, and literary endeavors that advance the goals of the organization.

## BACKGROUND

On July 19, 2008, the Grand Lodge Daughters of Norway Endowment Fund was established at the Centennial Convention. The endowment is an ongoing fund that will be held in perpetuity and provide renewable income in the form of interest on the invested principal. The principal of this endowment is not to be spent; only the investment earnings are available for spending purposes.

## PURPOSE

The purpose of this endowment is to secure, provide and preserve income to be used for specified educational, charitable, and literary purposes to advance the goals of the organization. These purposes are clearly defined and restricted by the Daughters of Norway Constitution and the IRS.

## FUNDING THE ENDOWMENT

The endowment is completely funded by voluntary contributions from lodges, members, other individuals, businesses, foundations, corporations, etc. A gift of any size will help us achieve our goal of securing and preserving our heritage. This may be a one time gift, a gift in someone's honor or memorial. Thank you for your consideration.

Donations may be tax deductible in accordance with the rules of the IRS. Daughters of Norway is a 501(c)(8) tax-exempt non-profit organization (IRS tax ID #91-6035335).

Our ancestors sacrificed for our benefit and travelled across unknown seas to settle in America and create a better life. Creation and support of this endowment is our way of ensuring that generations, beyond our own, retain the lessons learned and also honor the fortitude of those who have gone before us. The values, traditions and beliefs that sustained them can be as useful in today's world.
