

# Grand Lodge Daughters of Norway

## ASSOCIATE MEMBERS

### Did you know?

Alabama, New York, Texas, and Ontario. What in the world do they have in common? Well, believe it or not, Daughters of Norway sisters. Yes! Women in these places, and a few dozen others, are part of our special classification of Daughters of Norway sisters known as Associate Members.

As our constitution states, "An eligible woman for whom there is no convenient subordinate lodge may apply for Associate Membership." Therefore, if you know of a friend or relative who may be eligible and is interested in the mission of the Daughters of Norway, please be aware that this is a fantastic opportunity for them to participate and connect with others who value this culturally and educationally enhancing membership. If we find that we have quite a contingent from a certain region, then we can consider inquiring if there is interest in assembling a lodge. It's really a grass-roots way to build up the organization with a strong membership foundation.

Annual dues are only \$20 (an unbelievable bargain), and the application is available on the public portion of our website.

In a future issue, I will be reporting on this distinguished members group and would love your feedback, questions or comments. AND, to all of our Associate Members, please let me know how we can serve you better! More to come!
